

To All Students of Yokohama National University

Do you have a Broadcast Receiving Contract with Japan Broadcasting Corporation(NHK)?

Welcome to Japan!

It is our pleasure to have you in our town as our friend. We are happy to inform you that NHK provides a variety of great TV programs that would help you to enjoy your time in Japan.

As stipulated in the Broadcast Law Article 64, all residents of Japan regardless of nationality who owns a TV set must make a Broadcast Receiving Contract . If you have a TV set or mobile phone which can receive TV programs, please call our contact information at the bottom.

< Legal Basis for Broadcast Receiving Contract >

Article 64 of the Broadcast Law

(Receiving Contract and Receiving Fee)

Article 64.

Any person who has installed receiving equipment capable of receiving the broadcasting provided by NHK shall conclude a contract with NHK with regard to the reception of its broadcasting.
